

Facilitators:

ARE YOU TRAUMA INFORMED?

Come learn how to create a safe space for you & your participants as a program facilitator.

This learning opportunity is open to all Nobody's Perfect Facilitators & all others who work groups.

This workshop will give participants:

- Knowledge of the roots and impact of trauma
- Keys to helping reduce trauma triggers and create safety for trauma-impacted participants in your setting
- Awareness of symptoms of trauma and compassion fatigue and strategies to reduce these symptoms
